1 It is certainly very difficult to get Carts for small distances at the Scheduled rate of Cart hire. One has to pass 660 as between passengers from a Railways Station to a place a mile off. It seems to be necessary to extend the application of G.O. No 2506-59/Gen 65-22-1 of 6th Nov 1922 to all distances not exceeding 2 miles from the Railways Station.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

In reply please refer to No. 162 TAD 3

Comptroller's Office, Bangalore,

Dated the 11th August *192*3.

The Secretary to the
Government of Mysore, Bangalore.

Sir,

14 AUG 1923

Adverting to Government Order No.62504-59/G.M.65-22-1 dated 6th November 1922 re. the admission of charges incurred on account of cart hire in the Bangalore and Mysore cities and in places other than Bangalore and Mysore, I have the honour to state that the Drawing Officers do not invariably furnish the distances between Railway Station and Travellers Bungalow or halting stations in places other than Bangalore and Mysore Cities nor do they stick up to the rates prescribed in Government Order dated 3rd November 1920.

On enquiry, it is explained that carts could not be had for short distances of 1 or 2 miles at 3 and 4 annas per mile and as such a lump sum payment of 8 annas to 1 Rupee according to places travelled has to be

made. Except in a few cases of preaudit bills, this restriction has thrown considerable additional work without producing any effect on the drawing officers.

Practical experience has, however, shown that the application of the order of 3rd November 1920 to the very letter creates hardship. I therefore request that orders of Government may kindly be obtained for admitting the claims made by the Disbursing Officers on the certificate now furnished to the effect that the charges have been actually incurred.

I have the honor to be,
Sir,
Your most obedient servant,

J. Satyanarayanaiah
Comptroller.
